

WELCOME TO ESTHER

Wine has the ability to transport us. Smells and tastes can trigger some of our most powerful memories and can take you back to a time long ago, a place far away or even to a moment past with the person right across the table from you. Our wine list blends classical and contemporary New Zealand wines with the Mediterranean and Mainland Europe. We love the wines of the 'Med' for their freshness, vibrancy and mouth-watering flavours which suit drinkers of all tastes and share a delicious narrative with the food of Sean Connolly. Wine at Esther is nomadic, it travels widely but always return's home. We feature wine icons, emerging producers and new grape varieties from New Zealand with a particular focus on the wines of the North Island

cheers

CORAVIN

WINES BY THE GLASS

The Coravin wine preservation system uses a hollow needle and an inert gas to protect a wine from oxidization all without having to remove the cork. It extends the wines life and can actually improve the wines quality long after the first glass has been poured. Using this ground-breaking technology, we are able to offer some of New Zealand's, and the worlds, greatest wines to you by the glass.

All Coravin Wines are available in 75ml and 150ml serves.

WHITE 75ml 150ml

Central Otago 2007 Rockburn 'Tigermoth' Riesling 12 23
 In a region known for its deeply flavoured Pinot Noir, Central Otago and Riesling may not seem the most likely partners - which makes this wine from Rockburn all the more exciting. The flavours of its youth are still there with apple, lemon, lime notes but with age has come complexity and wonderful toasty notes that link its beautiful acidity and delicate sweetness together making the wine taste both rich and refreshing.

Sancerre, FRA 2018 Alphonse Mellot 'La Moussiere' Sauvignon Blanc 14 28
 The Mellot family is mentioned in the history of Sancerre as far back as 1513. Their reputation continued to grow as a wine merchant when family ancestor, César Mellot was appointed as Wine Advisor to Louis XIV in 1698. Over 375 years later the wines of Mellot are still regarded as the benchmark for Sancerre. "La Moussiere" is a small single vineyard farmed bio-dynamically. Nectarine, pithy citrus flavours with Chablis like acidity. Luxury smashability.

Marlborough 2013 Dog Point Sauvignon Blanc (Aged and barrel fermented) 11 22
 Savvy with power and drive. Aging and barrel fermentation transforms the fruity characters' of Sauvignon Blanc into something toasty, smoky and refreshing and completely redefines what is possible with this incredibly popular grape variety.

Kumeu 2018 Kumeu River 'Mates Vineyard' Chardonnay 20 39
 A wine with deep, ripe, long and rich flavours that eventually tighten on the back palette to become focused and ultimately refreshing. Sounds like a quite a mouthful, right? Well it is, and for good reason. As the owners and winemakers The Brajkovich family craft wines that are regularly compared to very best Chardonnay from Burgundy and remain a benchmark for the addictive style of Chardonnay so unique to the North Island of New Zealand.

Chablis, FRA 2007 Daniel-Etienne Defaix Grand Cru 'Les Grenouilles' 29 58
 One of the best Chablis produces with unique approach, late release of wines. They exploit this rare climate since 2002. Good exposition, this vine planted in 1960 produces a wine of great rarity and exceptional sensuality. Only five owners exploit this smallest grand Cru surface in Chablis. Wine is clear, pale straw. It has aromas of dried lemon, orange peel, mineral and herbs. You can also find a hint of toasr aroma. Complex with a fairly long finish.

SKIN MACERATED WHITE

← aka Orange wine

Sicily, ITA 2018 Azienda Agr. COS 'Terre Siciliane Bianco' Zibbibo (Amphora) 15 29
 At COS they practice biodynamic viticulture along with ancient Greek cellar methods, such as fermenting and ageing in clay amphorae that are partially buried in the ground. The clay jars facilitate the ability of the wine to breathe. Subsequently it comes with an entire fruit basket of summer and autumnal flavours combined with the savoury, earthy notes of oxidization.

RED		75ml	150ml
Central Otago	2017 Rockburn 'Seven Barrels' Pinot Noir Central Otago has firmly placed New Zealand Pinot Noir on the world stage, in particular the quality of the vineyards in Gibbston which continue to make such a strong case for the importance of sub-regionalism in Otago. This is a wine that is Ripe, Concentrated and layered with black fruits, spice and introverted but very present oak that provides structure and complexity.	22	44
Barolo, ITA	2014 Josetta Saffirio, Nebbiolo DOCG The King in the North. The small commune of Barolo in Northern Italy wears the crown for the country's most prestigious wines. Renowned for their power, tannins and bracing acidity, Barolo is made from 100% Nebbiolo and fashions wines of immense structure and longevity but whose colour is almost transparent in the glass. Saffirio wines blend power and elegance with long savoury tannins that has a texture kind of like really good Pinot Noir on steroids.	26	51
Hawkes Bay	2015 Paritua 21.12 Cabernet Sauvignon & Merlot & Cabernet Franc The kiwi Bordeaux blend champion. From the small town of Hastings this great wine is surprising every expert. After the grapes are carefully selected and put it through a period of cold soak, are left to ferment. When dry a first taste is done to evaluate maceration time. Barrel are usually 50% new French oak barrique and the wine is left for up to 20 months before blending and final tasting. This process gives aroma of blackberry and currant with lovely notes of cocoa, violets and clove notes.	15	30
Sicily, ITA	2015 COS Pithos IGT, Frappato & Nero D'Avola (Amphora) Pithos Rosso is fermented in Giare which are terracotta amphorae, an ancient practice that still works wonderfully. Loads of earth and savory notes here with a hit of roses and violets for good measure. Flavours are still warm and generous but what is so appealing about this wine is the way it fuses flavour and structure. A few years of bottle age, has started, fill out the wine adding complexity and texture.	16	31
Chateauneuf-du-Pape, FRA	2018 Domaine de la Janasse 'Chaupin' Grenache Literally translated as the 'New castle of the Pope' the ruins of this now ancient structure still sit above the village of Chateauneuf-du-Pape in Frances Southern Rhone Valley. Over 13 different grape varieties are permitted in the red and white wines of this region however Grenache is the star for Reds. Aromatic, intensely flavoured red wine that possesses a wire frame of acidity and tannin that cradles its potent flavours beautifully.	28	55
Ribera del Duero, SPN	2012 Tinto Pesquera 'Reserva' Tempranillo DO (Tinta de Pais) Lower yields (less grapes per vine) and extended aging in barrel and bottle (30 months and 12 months respectively) help layer fruit, oak and alcohol in just the right proportions for this wine to avoid the heavy characters usually attributed to wines from Ribera del Duero. Using acidity to add freshness and vitality it has a ripe, silky palate with dense, mouthfilling flavours that are carried effortlessly across the palate by firm, drying tanins.	15	30
Hawkes Bay	2018 Church Road 1 Redstone Cabernet Sauvignon & Merlot A new project for winemaker from Church Road. Winemaker Chris Scott believes the winemaking should blur the lines between science and art and the ancient gravel soils and old vines of his Hawkes Bay vineyards are his canvas. This beautiful red wine has lifted aromas of dark berries, crushed stone, earth and thyme that lead into a rich and succulent palate framed with fine, drying tannins.	25	50

THE LOCAL

New Zealand's pristine natural environment, innovative winemaking and passion for adventure has created one of the world most exciting wine industries. Each season Gypsy is proud to feature one winemaker or winery from our local wine community whose wines showcase the very best of their region, the grape varieties they use and the vineyards they work. The resulting wines blends quality and deliciousness and also bear the unmistakable signature of their point of origin.

MAN O' WAR

Man O' War wines on Waiheke Island is definitely labour intensive wine growing at work. Their 60 hectares with 76 individual vineyard plots each require a unique approach to viticulture, maintenance and picking. One block on Ponui Island can only be harvested at high tide when the water is high enough to get its picked grapes onto a barge. Yet this remarkable attention to detail and the diversity of wines it gives winemaker Duncan McTavish to work with creates some of New Zealand's most flavoursome and rewarding wines.

SICILY

Long warm days, moderate rainfall and coastal breezes off the Med make it a wine growers paradise. However traditionally winemaking here was done by farmers who were incentivised against volume not quality so Sicilian wines were historically regarded as Europe's 'bulk wine'. Thin, vapid wines used primarily used to bulk out mainland wines or to sweeten foods. A resurgence in the 1980's set a new generation of winemakers to work and the resulting wines have improved to a point that Sicily is now regarded as one of Italy's and the world most exciting wine producers.

AZIENDA AGRICOLA COS AND ARIANNA OCCHIPINTI

Three friends founded Azienda Agricola COS in 1980: Giambattista Cilia, Cirino Strano and Giusto Occhipinti. The acronym of their last names is where the name for the winery - COS - comes from. One generation later in 2004 Giusto Occhipinti's niece Arianna who started at age 16 in her uncle Giusto Occhipinti's cellars at COS established Occhipinti Wines. The legacy of minimal intervention and natural winemaking so famous at COS has carried on and Sicily's combination of heat, coastal breezes and ancient soil partnered with COS and Occhipinti's biodynamic winemaking approach and use of large terracotta amphorae to make and age their wines create some of Italy's most food friendly, mouth-watering and intensely flavoured wines.
