

WELCOME TO ESTHER

Wine has the ability to transport us. Smells and tastes can trigger some of our most powerful memories and can take you back to a time long ago, a place far away or even to a moment past with the person right across the table from you. Our wine list blends classical and contemporary New Zealand wines with the Mediterranean and Mainland Europe. We love the wines of the 'Med' for their freshness, vibrancy and mouth-watering flavours which suit drinkers of all tastes and share a delicious narrative with the food of Sean Connolly. Wine at Esther is nomadic, it travels widely but always return's home. We feature wine icons, emerging producers and new grape varieties from New Zealand with a particular focus on the wines of the North Island

cheers

COCKTAILS

El Fino	Hayman's Gin, Fino Sherry, orange bitters, liqueur blend	22

The Coravin wine preservation system uses a hollow needle and an inert gas to protect a wine from oxidization all without having to remove the cork. It extends the wines life and can actually improve the wines quality long after the first glass has been poured. Using this ground-breaking technology, we are able to offer some of New Zealand's, and the worlds, greatest wines to you by the glass.

All Coravin Wines are available in 75ml and 150ml serves.

WHITE

Valdeorras, SPN

2019 Rafael Palacios 'Louro' Godello DO

13 25

Clean, elegant, straw colour with a green rim, Louro is a wine of noble aromas which transmits its aromatic intensity from the expression of plants such as fennel and a delicate reminder of chestnut blossom, with citrus notes and an attractive reminder of wet rock. On the palate the attack is fresh and voluptuous, at the same time oily which melts into a complex and fruity passage. Its finish is marked by the saline minerality of its soil which gives it the personality and character of a great wine.

Eden Valley, AUS

2014 Pewsey Vale 'The Countorus' Museum Reserve Riesling

13 25

Produced from old vines farmed on the coolest slope. Bottle ageing for five years before release transforms fresh lemon and floral aromatics into a complex wine of limes and brioche. Further richness and complexity will accumulate over future decades. Pale straw in colour with green hues. Intense classic lemon fruit aromas, with a hint of white flowers. Bottle aged characters of toast, clove oil and lemongrass emerge and combine with the still fresh citrus and white flowers of its youth. The palate has great length and depth with concentrated power and fresh, pristine lime juice overlaid with toasted brioche, sage oil and lime marmalade. The wine finishes with soft, refreshing natural acidity.

Piemonte, ITA

2017 La Colombera 'Derthona' Timorasso DOC

13 26

The Montino comes from only one vineyard at an altitude of 250 meters on light and dark clayey grounds, even more optimizing the visual sensory qualities, the bouquet and taste of Timorasso Derthona itself. The tasting perceptions are dominated by an excellent balance, highlighting the perceived involvement of all factors, the robust structure maintains the alcoholic content, giving the wine a remarkable, balanced and very persistent body. Wines made from the Timorasso grape variety tend to be full-bodied with good acidity. It is an aromatic variety and can show tropical fruit in some examples and more floral notes in others.

Hawkes Bay

2014 Church Road TOM Chardonnay

25 50

Brilliant straw-yellow colour with pale gold hues. This has a very fine, firmly bound and tightly concentrated nose with complex aromas of white stone fruits melded with minerally and gunflint-like sulphide reductive detail. The fruit richness shines, showing fragrance, revealing citrus notes. Nutty oak and creamy barrel-ferment layers emerge. This has a superb balance of fruit, winemaking inputs and complexity. Medium-full bodied, the palate exudes power and intensity, with a firmly concentrated core of rich and luscious white stone fruits and citrus fruits, interwoven with flint and minerals with nutty oak adding interest. This has excellent linearity, and the wine carries to a sustained finish with refined textures.

Vouvray, FRA

2019 Vincent Carême 'Sec' Chenin Blanc, AOC

13 26

Born in Vouvray, Vincent Carême farms 42 acres with his wife, Tania, who hails from South Africa. They gained organic certification for their domaine in 2010, making this wine from a parcel of 50-to-70-year-old vines growing in tuffeau. Fermented in 400-liter oak barrels (15 percent new) by the yeasts on the grapes and resident in his cold cellar carved out of the same white rock, it ages in those barrels on the lees for a year. It's powerful, mouthwatering Vouvray, heady and complex, with a floral perfume and a potent minerality.

Emilia Romagna, ITA	2018 Tre Monti 'Vitalba' Albana di Romagna	13	26
	A massive 120 days on skins - and boy can you tell! It has got so much concentration and intensity on the nose it isn't even funny. Layers of apricots (fresh, dried, and candied) float atop of yellow peach juice and yellow grapefruit zest. The more it opens up, the more baking spice and heather honey notes that appear on the nose. Talk about textural on the palate - plenty of tannin but still decent acidity here, which is key! That honey and clove note is really coming out on the palate here along with that juicy fresh apricot note. Delicious!		
RED			
Central Otago	2019 Rockburn Pinot Noir	13	26
	As a living organism a bottle of wine will mature in different ways over time, and the differences from vintage to vintage from a single batch winery can range from the subtle to the substantial, it's forefront fruit nuances blending slowly into the background as exciting new earthy		
Tuscany, ITA	2016 Canalicchio di Sopra Brunello Sangiovese Grosso DOCG	25	50
	This is the King of Tuscany wines. Brunello di Montalcino is flat-out stunning, remarkably vibrant and an almost-ethereal expression. There's an exotic citrusy tinge to its ripe black cherries, taking on hints of sage, cedar and allspice, all grounded by moist earth tones. It's focused and remarkably pure with a noticeable inner sweetness to the red and hints of blackberry fruit, all cast across a silky, feminine frame. The structure builds like a crescendo, as minerals fade to youthful tannins. Juicy acids maintain perfect balance from start to finish, making for a surprisingly fresh expression yet with amazing length.		
Hawkes Bay	2018 Paritua 21.12 Cab.Sauvignon & Cab.Franc & Merlot	25	50
	A complex aroma of blackberry, black currant, black Doris plum and cocoa powder with floral hints of violet and spicy notes of cardamom, anise and clove. The palate has great structure and intensity of flavour. A silky textured attack with plush, concentrated blackberry and firm mid palate tannin. Ripe Black Doris plum, cocoa and spice flavours with a hint of petrichor minerality and a long savoury fine grained tannin finish. The wine has fine cellaring potential.		
Douro, PORT	2018 P+S Post Scriptum de Chryseia, Touriga Nacional	14	28
	The Douro region of northern Portugal is the home of Port. It takes its name from the Douro river, which flows east to west from the Spanish border to Oporto, where it meets the Atlantic Ocean. Though Douro is best known for its fortified wines, total production here is fairly evenly split between Port and non-fortified wines. Post Scriptum is elegant and graceful, this Bordeaux-styled red shows Portugal's potential. Ripe fruit from old vines has been put through berry and barrel selection, giving such finesse that the wine is gorgeous now but will reward cellaring. This is the pet project of the Symington Port family and Bordeaux legend Bruno Prats: the pedigree is high and access to top vineyards is the deciding factor.		
Martinborough	2017 Dry River 'Lovat' Syrah	20	40
	The wine shows primary dark fruits of the forest like boysenberry and black currants interlaced with violets and hints of black pepper. We decided to age the wine on oak for a little longer this time, 24 instead of 18 months. This brought out a certain maturity and subdued vibrancy in the form of dulce de leche, vanilla, nutmeg and allspice on the nose. Another benefit of prolonged barrel ageing is that the tannins are allowed to soften a bit more, which helps the front palate and thus approachability of the wine.

GRAPE HIGHLIGHT

RIESLING

Riesling is an aromatic grape variety displaying flowery, almost perfumed, aromas as well as high acidity. It is used to make dry, semi-sweet, sweet, and sparkling white wines. Riesling wines are usually varietal pure and are seldom oaked. As of 2004, Riesling was estimated to be the world's 20th most grown variety at 48,700 hectares (120,000 acres) but in terms of importance for quality wines, it is usually included in the "top three" white wine varieties together with Chardonnay and Sauvignon blanc. Riesling is a variety which is highly "terroir-expressive", meaning that the character of Riesling wines is greatly influenced by the wine's place of origin.

In cool climates (such as many German wine regions), Riesling wines tend to exhibit apple and tree fruit notes with noticeable levels of acidity that are sometimes balanced with residual sugar. A late-ripening variety that can develop more citrus and peach notes is grown in warmer climates (such as Alsace and parts of Austria). In Australia, Riesling is often noted for a characteristic lime note that tends to emerge in examples from the Clare Valley and Eden Valley in South Australia. Riesling's naturally high acidity and pronounced fruit flavours give wines made from this grape exceptional aging potential, with well-made examples from favourable vintages often developing smoky, honey notes, and aged German Rieslings, in particular, taking on a "petrol" character.

THE LOCAL STAR
HANS HERZOG

The Herzog families have grown wine in Switzerland since 1630. Hans Herzog is a graduate of the Wine University of Wädenswil Switzerland with a degree in viticulture and a master degree in winemaking, plus the experience of over 40 years as winegrower/winemaker.

In 1994, Hans identified a unique piece of land bordering the banks of Wairau River in Marlborough that would provide all the elements to continue with his tradition of leading the way with new grape varieties. Not influenced by commercial thoughts, he successfully planted Pinot Gris, Viognier and Montepulciano, varieties rarely witnessed in New Zealand at the time.

The densely planted 11.5 HA vineyard adheres to both organic and bio-dynamic principles with Hans following a non-interventional philosophy and uncompromising dedication for tending to the vines. Wines undergo long cool fermentation processes with wild yeasts, resulting in wines that not only reflect the terroir where they are grown, but Hans himself. At Hans Herzog, old-world method and experience go hand in hand with technology. No chemicals, additives or concentration. 100% natural winemaking opportunity, from the vineyard to the glass.

Grapes are handpicked from the single vineyards at extremely, almost unsustainable low yields. Last count Hans Herzog was producing 20 different varietals or blends. Once the winemaking process has taken place the winery bottles and labels their wine onsite. Quality control, at every opportunity, from the vineyard to the glass.
